creating a future without breast cancer

Charity Number 11090839

## GARDENING VOLUNTEER POSITION

The centre is based at Wythenshawe Hospital and we require enthusiastic, volunteer gardeners to help maintain the Centre's gardens and court yards, making them more attractive and inviting for patients and visitors.

Main Duties include:

- Weeding garden area
- Pruning of plants when required.
- Monitoring health and watering needs of the garden
- Maintenance of garden furniture
- Development of new garden areas
- Returning all tools and supplies to storage area when finished

### Times Required

Any time you can spare but a regular weekly commitment of a couple of hours would be beneficial

### Skills Required

- Knowledge of plants preferred
- Enthusiastic and Willing to Learn

### Support

Full support and training will be given as well as regular volunteer meetings, both social and ongoing training. Expenses will be paid upon production of receipts. Refreshments and free car parking will be provided.

### Contact

Please contact Lynda Ellis (Volunteer Co-ordinator) on 0161 291 4405 or email [lynda.ellis@genesisk.org](mailto:lynda.ellis@genesisk.org) for more information
